Pop Warner Scholarship Update: *October 2003*

Each year, Pop Warner Little Scholars, Inc. (PWLS) recognizes its top scholar-athletes for their academic achievement and their service to the community at the National All-American Scholar Banquet. The highlight of the program is the awarding of scholarships to the top winners, those who have gone above and beyond in the classroom and in the community. With contributions from companies such as yours, PWLS has been able to reward 176 student-athletes with an incredible **\$250,000.00 in scholarship money since 1993!**

We strive each year to make the Scholastic Program the very best it can be, and it would not be possible without the generous contributions from your company each year. We continue to follow the progress of these young scholar-athletes as they move ahead in their academic careers. Below is a list of academic institutions that many of our past scholarship winners have attended, we hope you find this information to be of interest to you. These former Pop Warner participants continue to value academics as an integral part of their lives as they attend some of the finest schools in the nation, and it might not have been possible without your contributions towards their higher education.
