THE POP WARNER ADRENALYN BOWL:

The Pop Warner Adrenalyn Bowl is “*the Game Before the Game*” - an exhibition of Pop Warner football and cheerleading featuring NFL Players serving as Pop Warner Coaches and is sponsored by Panini, the official trading card of Pop Warner and the official trading card sponsor of the NBA.

The Pop Warner Adrenalyn Bowl is an exhibition of Pop Warner football team featuring NFL Players serving as Pop Warner Coaches, as well as appearances by other special guests and VIP's. The event is designed to give Pop Warner participants in the Super Bowl Host city the opportunity to be a part of Super Bowl week festivities.

The event is sponsored by Panini, the official trading card sponsor of Pop Warner and the NBA, and an official NFL licensee. Prior to last year's event, Panini unveiled its newest product, Adrenalyn, an interactive trading card game that was launched first in the NBA.

This year, teams from the North Texas Pop Warner league will square off in exhibition games, with the second game being coached by Denver Broncos Pro-Bowl Wide Receiver **Brandon Lloyd**, former Arkansas Razorback's quarterback **Ryan Mallett**, Philadelphia Eagles quarterback **Kevin Kolb** and former TCU quarterback **Andy Dalton**.

Competing in the Pop Warner Tiny-Mite Division will be the **Oak Cliff Titans** and the **Oak Cliff Redskins**, followed by the **Arlington Thunder** and **Mid-Cities Giants** in the Pee Wee Division.
