### Walk Up Policy:

Walk-ups are Welcome. Please call 1-800-745-7580 with your child's name and age and bring the signed form on opening day.

Our three-day youth football camp for children ages 8 to 14 involves professional athletes, high school coaches and most importantly – teenagers from within the community that come together to provide athletic and academic inspiration to children.

Our sports and education camps employ a curriculum developed by professional educators that incorporate discussions on nutrition, sportsmanship, resistance training, character development, cultural tolerance, and life issues such as violence, anger control and other key issues facing children on a daily basis. The kids receive gifts and quality sports instruction from a talented staff.

With over 88 successful camps, we are proud of our service to approximately 118,000 children & parents.
