

NATIONAL CENTER FOR SAFETY INITIATIVES

National Center for Safety Initiatives (NCSI), working in partnership with National Council of Youth Sports, is the country's foremost authority on background screening for youth organizations. NCSI offers complete solutions to youth organizations by handling all of the legal and administrative issues related to the background screening process. The core foundation of all NCSI programs resides in the Check-it-Twice™ system and includes the following elements as a standard:

- Criminal Background Checks through two independent, screened and selected national databases
- Multi-Source Sex Offender Registry Searches including photos when available
- Social Security Number Verification with Address Trace
- Federal Terrorist Database search (OFAC)
- Fair Credit Reporting Act (FCRA)* assistance in accordance with federal law
- Secure transaction site with input into *one* centralized system

We Offer Two Simple Methods to Protect Pop Warner within the Check-it-Twice™ System

#1—We'll manage the process for you with a Full Service Check-it-Twice™ Program
